

ROBUST AND RELIABLE SUPPORT WORLDWIDE INCLUDING OUT OF AREA HOT SPOTS, WARZONES AND DISASTER AREAS

Forward Support personnel is fit and healthy, communicates in English and is of an irreproachable conduct with solid work ethics, good manners, flexible and subservient attitude, independence, stress resistance and ability to function under extreme climatologic conditions.

Forward Support civilian personnel is fully insured and used to operate 'embedded' within a military organization including military transport. 'The Status of Forces Agreement' is applicable and our personnel has the formal status 'following and belonging to the force'.

Forward Support personnel fully complies with house rules of hosting organizations. Our personnel always wears prescribed corporate uniform work wear, impregnated against vermin and comply with standing uniform requirements. Where and when required, our personnel is instructed to comply with local regulations concerning the wearing of body armor/protective clothing and or helmets.

Our personnel is instructed and familiar with military culture in general and with the increased threats during transport and residence in military camps in particular. They not only receive ongoing and updated instructions regarding accommodation, including shelter, sanitation, catering, medical care, physical and mental care, but also climate-, flora-, fauna- and IED-mine awareness.

Forward Support is fully responsible and compliant with all the administration requirements relating to the deployment of civil personnel. This includes 'Indemnification Statements', 'Personal Information', 'Certificates of Conduct' and reports and conclusions of completed works and projects (lessons learned).

The Forward Support helpdesk is available 24/7. The helpdesk also supports personnel 'on site' and is the central point of contact for all parties concerned.
